Le matériau autodestructif rend le repositionnement impossible. L'étiquette ne peut pas être retirée sans être remarquée, les marchandises portées et - ré-étiquetées avec elle - retournées afin de récupérer le prix d'achat

A clear warning speaks for itself: if the label is removed, the customer accepts the merchandise and commits to purchase |
Un avertissement concis parle de lui-même : si l'étiquette est enlevée, le client accepte la marchandise et s'engage à acheter

- **Hologrammfolie bietet Siegelwirkung mit repräsentativer Optik. Der changierende Effekt erschwert die Nachahmung des Original-Etiketts an gefälschter oder manipulierter Ware |**

Hologram foil offers sealing effect with representative appearance. The iridescent effect makes it difficult to imitate the original label on counterfeit or manipulated goods |

- **Schwarzlicht-Sensitivität garantiert Echtheit wie bei Geldscheinen. Unsichtbar unter normaler Beleuchtung, enttarnt der Effekt bei gezielter Kontrolle Fälschungen zuverlässig |**

Black light sensitivity guarantees genuineness as with banknotes. Invisible under ordinary lighting, the effect reliably unmasks counterfeits when specifically checked |

La sensibilité à la lumière noire garantit l'authenticité comme pour les billets de banque. Invisible sous un éclairage normal, l'effet démasque de manière fiable les contrefaçons lorsqu'il est spécifiquement contrôlé
